

Name (first & last): _____ . Class Period: _____

The Boston Massacre - A Massacre or Propaganda

Essential Question: Was the Boston Massacre actually a massacre?

First, look up the definition of a **massacre** and write it here: _____

Next, make a list of, at least, five supportable evidences that would demonstrate the **Boston Massacre was not a massacre but the British soldiers firing in self-defense**. Make a list of those evidences. Note: There are more than five evidences, so this task, if you have been watching, listening, talking about, writing about, reading about the Boston Massacre, should be a simple task.
