

Grading Your HTML Website

Meets ALL Expectations
TOPGRAPHIC: Your topgraphic is inserted on all pages of your website and easy to read the text for hotspots (50 points)
PROJECTS: Graphics and animations have been included on your website pages and any needed text to explain these graphics and animations. For full points you need, at least, 20 images and/or animations on your website from projects you have completed from our assignments. <i>Note: You can add extra images and animations of your own creation but points are only for assigned projects.</i> >= 20 = 50 points >= 15 = 40 points >= 10 = 30 points
LINKS: All the links from your hotspots to your website pages work (50 points)
WEBSITE PAGES: You have included, at least, the following four different website pages (50 points) - Animations - Graphics - Pong Game - Final Flash

FLASH swf Movie Files:

- ___ Dancing Skeleton (begin FLASH)
- ___ Skeleton Takes a Bath
- ___ Skeleton Bone Tool
