

# A Horse With No Name – by America 1972

These two chords are played with the 2 & 3 fingers. You just do a sort of jumping jacks action with these two fingers.

The strumming pattern can work with just a simple down up pattern

On the first part of the journey  
I was looking at all the life  
There were plants and birds and rocks and things  
There was sand and hills and rings  
The first thing I met was a fly with a buzz  
And the sky with no clouds  
The heat was hot and the ground was dry  
But the air was full of sound

I've been through the desert on a horse with no name  
It felt good to be out of the rain  
In the desert you can remember your name  
'Cause there ain't no one for to give you no pain  
La, la ...

After two days in the desert sun  
My skin began to turn red  
After three days in the desert fun  
I was looking at a river bed  
And the story it told of a river that flowed  
Made me sad to think it was dead

You see I've been through the desert on a horse with no name  
It felt good to be out of the rain  
In the desert you can remember your name  
'Cause there ain't no one for to give you no pain  
La, la ...
